

Elevate the leisure experience

Aligning with the concept of 'Modern contemporary' architectural, the 3-floors clubhouse redefines luxury in functionalities and utilities.

Purposefully crafted in each detail for a seamless experience, the amenities include a spacious fitness center, a 25-meter-long salt chlorinator swimming pool, and a rooftop lounge where you see the horizon line.

Entertainment Lounge

For the ultimate living comfort, all facilities are curated to elevate the relaxation experience, from the training space with a fully equipped fitness center and a delightful jacuzzi, with a pool park, entertainment lounge, to a rooftop lounge. Also, the multi-functional park provides various activities, suiting every family member, from a bike lane, running track, mini golf, and skate scape to a kid space.

Optimize the space of ease

With our forward-thinking design principles, all three house models fuse the modern contemporary style with tropical architecture to create the best-functional space that suits modern lifestyles amid Pattaya city.

Enrich the moments

To create a functional and aesthetically blissful space, the decoration inside comprises calm and subtle luxury elements with high-quality materials for long-term durability.

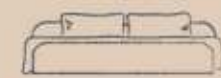

Experience the life you deserve

All living areas intend to serve every family member's lifestyle, with their own private and shared space to refine the living moment.
